

Today's Market Report

(By Associated Press Leased Wire.)

Grain Prices Took Advance at Close

By Associated Press Leased Wire
Chicago, Oct. 12.—Wheat prices today in Chicago reflected the decline of values yesterday in the northwest while the market here was closed. Later, however, something of a rally took place here in connection with gossip that one of the largest millers in the United States had made an investigation which showed that domestic producers were holding between 65 and 70 per cent of their wheat. Opening prices, which ranged from 1 1/4 to 3c lower, with Dec. 2.05 to 2.06 and March 2.01 1/2 to 2.02, were followed by moderate upturns from initial bottom figures.

Corn went lower with wheat. There was general selling in small amounts by commission houses. After opening 1 1/4c off to 1/2c advance, including Dec. at 86 1/2 to 86 3/4, the market underwent a sag all-around.

Oats were easier as a result of the weakness of other grain, starting 1/2c to 3/4c down, Dec. 56 1/2 to 56 3/4 and displaying but little power to recover. Provisions sympathized with cereals, despite higher quotations on hogs. The market subsequently scored a sharp advance, stimulated by reports of farmers' agitation for higher prices and by announcement of seriously adverse crop conditions in India. The market closed nervous 1 1/4 to 2 1/2c net higher with Dec. 2.09 1/2 to 2.10 1/4 and March 2.06 1/2 to 2.07.

Later, the corn market hardened with wheat. Prices closed unsettled, 1 1/2c net lower to 1/2c advance with Dec. 86 1/2 to 87c.

ILLEGAL TRAFFIC IN BOOZE BY BIG RINGS NOW UNDER SCRUTINY

Revenue and Prohibition Agents Combine to Get Leaders.

Chicago, Oct. 12.—Federal prohibition agents and internal revenue agents, who have combined forces here in an attempt to put an end to illicit sale of liquor, today continued their investigations of a newly discovered "whiskey ring" and it was anticipated that the real chieftain of an alleged ring was expected to be under arrest within a few days.

The alleged combination of men engaged in the trade included heads of large distilleries, saloon keepers, railroad employees and federal office holders. It was asserted in a confession obtained from H. A. Sadler, former New York stock broker. The case in which Sadler was said to have confessed participation in the alleged shipment of \$125,000 worth of liquor from Louisville, Ky., to Chicago on a permit that was said to be forged. It arrived here August 24 and was seized by federal authorities while it was being distributed to "customers." Sadler declared he had paid \$45,000 to a Chicago politician who was employed as a deputy United States revenue agent to forge federal permits under which whisky running had been carried on.

Sadler, it was said, also implicated New York brokers and others in the combination. His complete testimony will be presented to the Cook county grand jury some time this week, and District Attorney Charles Cline said indictments would be asked for the men Sadler named in the conspiracy.

"CURB MARKET" IN N. Y.
By Associated Press Leased Wire
New York, Oct. 12.—Frank L. Boyd, supervising prohibition enforcement agent for New York state, has received orders from federal headquarters in Washington to investigate the reports of the existence of a "curb market" in central and liquor in the Bowery, it was learned today.

Pressed for confirmation of the reports, Mr. Boyd admitted he had heard about the matter.

According to published reports, the traffic in liquor in this section has become so chaotic that the hands of bootleggers engaged in supplying saloons and speak-easies have hit upon the plan of modeling their market after the curb market of the financial district, in order to facilitate transactions.

WOMAN STRICKEN ON RETURN HOME FROM VISIT IN THIS CITY

Mrs. Conrad Seebach Who Visited Here, Died at Dysart, Iowa.

The following from the Reporter of Dysart, Iowa, gives an account of the death of Mrs. Conrad Seebach, former Lee county woman, who had many close relatives and friends in Dixon, Ashton and Amboy:

Mrs. Conrad Seebach passed away at her home in Dysart Sunday evening, Oct. 3, 1920, after a brief illness of only a day and a half. While sitting at the breakfast table Saturday morning she was stricken with apoplexy from which she was unable to rally. All that physicians, the nurse, relatives and friends could do was done to save her life, but the death angel called her home at about six o'clock in the evening. She had not been in the best of health for some time past, suffering from severe headaches, yet her condition was not considered serious. Mr. and Mrs. Seebach had returned Wednesday from an auto trip to Ashton, Franklin Grove, Dixon and other Illinois points where they had spent several days with relatives, and their trip was much enjoyed. Her sudden passing came as a most severe shock to her husband, the children, relatives and friends.

Mrs. Seebach was the daughter of Mr. and Mrs. Henry Bothe, and was born at Bradford, Lee county, Illinois, on January 29, 1867, hence she was aged 53 years. 8 months and 5 days. She spent her girlhood days in Illinois and was united in marriage at Dixon on Dec. 10, 1885 to Conrad Seebach. Two years later they removed to Dysart, locating on the farm where they resided until the spring of 1919 when they retired and located in Dysart.

Mrs. Seebach was of a quiet pleasing disposition and to know her was to love and respect her. She was the ideal wife, mother and friend. Those who knew her will never forget her kind, graciousness of her manner and her one life which characterized her as a true gentlewoman. She united with the church when a girl and was a lifelong member of the Evangelical association.

Mr. and Mrs. Seebach were blessed with five children, all of whom are living. They are: Arthur J. and Vernon of Dysart; Charles of Traer, Mrs. Ralph Schuchard of Dysart, and Mrs. George Vogler of Ashton, Ill. She is also survived by the husband and her parents, Mr. and Mrs. Bothe of Dixon, on three brothers, and three sisters, nine grandchildren, other relatives and many friends. The sympathy of the entire community is extended to the family in their hour of sorrow.

Funeral services were held from the Evangelical church in Dysart on Tuesday afternoon, and were in charge of the pastor, Rev. F. I. Haas. A large concourse of people assembled to pay their last respects to the departed. Among whom were the Tama county officials—Mr. Seebach being a member of the board. Rev. Haas preached the sermon from Isaiah 38. 1. The remains were laid to rest in Dysart's beautiful cemetery. The floral offerings were large and most beautiful.

Among the relatives from a distance who were here to be in attendance at the funeral were: Mr. and Mrs. Henry Bothe, Christian and H. Bothe, Mr. and Mrs. John Hupert, and Mrs. Hemphinger, Mr. and Mrs. Dixon; Mr. and Mrs. George Vogler and Mrs. Aug. Schafer of Ashton; Mr. and Mrs. Chris. Seebach of Franklin Grove, and John Hillison, of Amboy, Ill.

Fine Weather Will End Last of Week

By Associated Press Leased Wire
Washington, Oct. 12.—Warning of another cold snap in the northern and middle sections of the country within a few days was given today by the weather bureau in a special bulletin, which said:

"The indications at this time are that the prolonged spell of exceptionally fine weather over the middle and western states will end shortly. A disturbance of widespread influence now moving southward along the Alaskan coast will cross the middle west at the end of the week attended by unsettled weather and rain and with a probability of local snows in the northwest."

"Following this disturbance the temperature will fall and the coldest weather of the season up to this time will prevail generally in the northern and middle sections of the country."

McKENNA-LEAHY.

One of the prettiest fall weddings occurred Saturday morning at 7:30 at St. Patrick's church when Anna Blandina McKenna, eldest daughter of Mr. and Mrs. John McKenna, 210 Chamberlain street, was united in marriage to George Phillip Leahy, of Chicago. The wedding ceremony was performed by the Rev. Father Foley. As the bride parties proceeded to the altar, Miss Helen Parker played "Lohengrin's Wedding March" and Miss Bessie Denny sang during the ceremony, "Oh Promise Me" and "Ave Marie." The ceremony was witnessed by a large number of relatives and friends.

The couple were attended by Miss Mary McKenna, sister of the bride, and Thomas Leahy, brother of the groom. The bride was beautifully attired in a gown of white satin-Jerseyette with train, wearing a veil of tulle, caught with a wreath of orange blossoms and carried a shower bouquet of brides' roses and lilies of the valley. The bridesmaid wore a gown of orchid colored satin with an arm bouquet of roses. Her costume was completed by a black hat.

Immediately after the ceremony, the wedding party went to the home of the bride's parents where a four-course wedding breakfast was served by a number of girl friends of the bride. The guests numbered sixty. A basket of roses with tulle formed the centerpiece of the bride's table. The spacious home was decorated with palms and roses. Following the wedding repast a reception was held, a large number congratulating the young people and wishing them many years of happy wedded life.

The bride is a graduate of the class of 1912 of the North Dixon high school and of Saint Clare's College of Sinsinawa, Wis. For some time she held the position as bookkeeper at the E. N. Howell Hardware Store and for the past two years has held a position in

Chicago. The groom holds a position in the postoffice in Chicago. Mr. and Mrs. Leahy left on a wedding tour in the east and will be at home at 47th Street and Michigan avenue, Chicago, after October 15th. The bride wore as her traveling costume a jade blue colored tulle-trimmed suit with squirrel. Mr. and Mrs. Leahy were the recipients of many useful and beautiful gifts.

The out-of-town guests were: Mr. and Mrs. James Waddick, Mrs. K. Kenny and family, Mrs. T. Walsh, Mrs. McMahon, Mrs. Jane McGinnis, Wm. O'Connor, Dan Lagner, Thomas Leahy, all of Chicago; Miss Jet Thomas, Lena, Ill., Mrs. J. O'Neil and daughter and Miss Mary E. Doyle, Rochelle; Chas. Kolph and William Love, of Freeport.

Cleveland Six Now Only \$1435

The Cleveland again establishes a new standard of quality and value in the light car field. It offers so much more at such a fair price that other light cars—sixes and fours—can scarcely be thought of as competitive. Cleveland character is distinctive, its daily service is unsurpassed.

No Other Light Car Offers Such Worth

The exclusive Cleveland motor, the most highly developed of the powerful over-head type, gives an abundance of speed, a rare flexibility of power, and a dependability and endurance that surpasses other light cars.

The sturdiness of its chassis construction, the ease of its control, the soft cushion-like action of its underslung spring construction—all these

qualities add immeasurably to the certainty and comfort of the Cleveland's performance on any road, on the steepest hills, and in crowded traffic.

A Selection of Body Styles That Meet Every Wish

Bodies of dignity and beauty are mounted on the Cleveland chassis, and no other car offers cleaner lines, more truly sturdy gracefulness or deeper lustre of finish than does the Cleveland Six.

Today's Market Report

(By Associated Press Leased Wire.)

Grain Prices Took Advance at Close

By Associated Press Leased Wire
Chicago, Oct. 12.—Wheat prices today in Chicago reflected the decline of values yesterday in the northwest. Later, however, something of a rally took place here as a result of the news that the largest millers in the United States had made an investigation which showed that domestic producers were holding between 65 and 70 per cent of their wheat. Opening prices, which ranged from 1 1/2 to 2 1/2, were followed by moderate upticks from initial bottom figures.

Corn went lower with wheat. There was general selling in small amounts by commission houses. After opening 1 1/2 off to 1/4, the market advanced, including Dec. at 83 1/2 to 84 1/2, the market underwent a sag all-around.

Oats were easier as a result of the weakness of wheat, starting 1/4 to 1/2 down, Dec. 55 to 56 1/2 and displaying but little power to recover. Provisions sympathized with cereals, despite higher quotations on hogs and by announcement of seriously adverse crop conditions in India. The market closed nervous 1 1/2 to 2 1/2 net higher with Dec. 2.09 1/2 to 2.10 1/4 and March 2.05 1/2 to 2.06.

Later, the corn market hardened with wheat. Prices closed unsettled, 1/2 net lower to 3/4 advance with Dec. 86 1/2 to 87.

ILLEGAL TRAFFIC IN BOOZE BY BIG RINGS NOW UNDER SCRUTINY

Revenue and Prohibition Agents Combine to Get Leaders.

Chicago, Oct. 12.—Federal prohibition agents and internal revenue agents who have combined forces here in an attempt to put an end to illicit sale of liquor, today continued their investigations of a newly discovered "whisky ring" and it was announced that the real chieftain of an alleged ring was expected to be under arrest within a few days.

The alleged combination of men engaged in the trade included heads of large distilleries, saloon keepers, railroad employees and federal office holders. It was asserted in a confession obtained from H. A. Sadler, former New York stock broker, the case in which Sadler was said to have confessed participation was the alleged shipment of \$125,000 worth of liquor from Louisville, Ky., to Chicago on a permit that was said to be forged. It arrived here August 24 and was seized by federal authorities while it was being distributed to "customers." Sadler declared he had \$45,000 to a Chicago politician who was employed as a deputy United States revenue agent to secure federal permits under which whisky running has been carried on.

Sadler, it was said, also implicated New York brokers and others in the combination. His complete testimony will be presented to the Cook county grand jury some time this week, and District Attorney Charles Clyne said indictments would be asked for the men Sadler named in the conspiracy.

"CURB MARKET" IN N. Y.

By Associated Press Leased Wire
New York, Oct. 12.—Frank L. Boyd, supervising prohibition enforcement agent for New York state, has received orders from federal headquarters in Washington to investigate the reports of existence of a "curb market" in central and liquor in the Bowery, it was learned today.

According to published reports, the traffic in liquor in this section has become so thriving that the bands of bootleggers engaged in supplying saloons and speak-easies have hit upon the plan of modeling their market after the curb market of the financial district, in order to facilitate transactions.

WOMAN STRICKEN ON RETURN HOME FROM VISIT IN THIS CITY

Mrs. Conrad Seebach Who Visited Here, Died at Dysart, Iowa.

The following from the Reporter of Dysart, Iowa, gives an account of the death of Mrs. Conrad Seebach, former Lee county woman, who had many close relatives and friends in Dixon, Ashton and Amboy:

Mrs. Conrad Seebach passed away at her home in Dysart Sunday evening, Oct. 3, 1920, after a brief illness of only a day and a half. While sitting at the breakfast table Saturday morning she was stricken with apoplexy from which she was unable to rally. All that physicians, the nurse, relatives and friends could do was done to save her life, but the death angel called her home at about six o'clock in the evening. She had not been in the best of health for some time past, suffering from severe headaches, yet her condition was not considered serious. Mr. and Mrs. Seebach had returned Wednesday from an auto trip to Ashton, Franklin Grove, Dixon and other Illinois points where they had spent several days with relatives, and their trip was much enjoyed. Her sudden passing came as a most severe shock to her husband, the children, relatives and friends.

Mrs. Seebach was the daughter of Mr. and Mrs. Henry Bothe, and was born at Bradford, Lee county, Illinois, on January 29, 1867, hence she was aged 53 years, 8 months and 6 days. She spent her girlhood days in Illinois and was united in marriage at Dixon on Dec. 10, 1885 to Conrad Seebach. Two years later they removed to Dysart, locating on the farm where they resided until the spring of 1919 when they retired and located in Dysart.

Mrs. Seebach was of a quiet pleasing disposition and to know her was to love and respect her. She was the ideal wife, mother and friend. Those who knew her will never forget the kindly graciousness of her manner and her fine ideals that characterized her as a true gentlewoman. She united with the church where a girl and was a lifelong member of the Evangelical association.

Mr. and Mrs. Seebach were blessed with five children, all of whom are living. They are: Arthur J. and Vernon of Dysart; Charles of Traer, Mrs. Ralph Schuchart of Dysart, and Mrs. George Vogeler of Ashton, Ill. She also survived by the husband and her parents, Mr. and Mrs. Bothe of Dixon, three brothers, and three sisters and nine grandchildren, other relatives and many friends.

The sympathy of the entire community is extended to the family in their hour of sorrow. Funeral services were held from the Evangelical church in Dysart on Tuesday afternoon, and were in charge of the pastor, Rev. F. I. Haas. A large concourse of people assembled to pay their last respects to the departed.

Among the relatives from a distance who were here to be in attendance at the funeral were: Mr. and Mrs. Henry Bothe, Christian and H. Bothe, Mr. and Mrs. John Huyett, and Mrs. Hemminger, all of Dixon; Mr. and Mrs. George Vogeler and Mrs. Aug. Schaefer of Ashton; Mr. and Mrs. Chris. Seebach of Franklin Grove, and Mrs. John Hillison, of Amboy, Ill.

Fine Weather Will End Last of Week

By Associated Press Leased Wire
Washington, Oct. 12.—Warning of another cold snap in the northern and middle sections of the country within a few days was given today by the weather bureau in a special bulletin, which said:

"The indications at this time are that the prolonged spell of exceptionally fine weather over the middle western, and western states will end shortly. A disturbance of widespread influence now moving southward along the Alaskan coast will cross the middle west at the end of the week attended by unsettled weather and rain and with a probability of local snows in the northwest.

"Following this disturbance the temperature will fall and the coldest weather of the season up to this time will prevail generally in the northern and middle sections of the country."

M'KENNA-LEAHY

One of the prettiest fall weddings occurred Saturday morning at 7:30 at St. Patrick's church when Anna Blandina McKenna, eldest daughter of Mr. and Mrs. John McKenna, 210 Chamberlain street, was united in marriage to George Phillip Leahy, of Chicago. The wedding ceremony was performed by the Rev. Father Foley. As the bride parties proceeded to the altar, Miss Helen Parker played "Lohengrin's Wedding March" and Miss Bessie Denny sang during the ceremony, "Oh Promise Me" and "Ave Marie." The ceremony was witnessed by a large number of relatives and friends.

The couple were attended by Miss Mary McKenna, sister of the bride, and Thomas Leahy, brother of the groom. The bride was beautifully attired in a gown of white satin-terry with train, wearing a veil of tulle, caught with a wreath of orange blossoms and carried a shower bouquet of brides' roses and lilies of the valley. The bridesmaid wore a gown of orchid colored satin with an arm bouquet of roses. Her costume was completed by a black hat.

Immediately after the ceremony, the wedding party went to the home of the bride's parents where a four-course wedding breakfast was served by a number of girl friends of the bride. The guests numbered sixty. A basket of roses with tulle formed the centerpiece of the bride's table. The spacious home was decorated with palms and roses. Following the wedding repast a reception was held, a large number congratulating the young people and wishing them many years of happy wedded life.

The bride is a graduate of the class of 1912 of the North Dixon high school and of Saint Clare's College of Sinsinawa, Wis. For some time she held the position as bookkeeper at the E. N. Howell Hardware Store and for the past two years has held a position in

Chicago. The groom holds a position in the postoffice in Chicago. Mr. and Mrs. Leahy left on a wedding tour in the east and will be at home at 414 Street and Michigan avenue, Chicago, after October 15th. The bride wore as her traveling costume a jade blue colored tulle suit trimmed with squirrel. Mr. and Mrs. Leahy were the recipients of many useful and beautiful gifts.

The out-of-town guests were: Mr. and Mrs. James Waddick, Mrs. K. Keeney and family, Mrs. T. Walsh, Mrs. McMahon, Mrs. Jane McGinnis, Wm. O'Connor, Dan Langer, Thomas Leahy, all of Chicago; Miss Jet Thomas, Lena, Ill., Mrs. J. O'Neil and daughter and Miss Mary E. Doyle, Rochester; Chas. Kolph and William Love, of Freeport.

Cleveland Six Now Only \$1435

The Cleveland again establishes a new standard of quality and value in the light car field. It offers so much more at such a fair price that other light cars—sixes and fours—can scarcely be thought of as competitive. Cleveland character is distinctive, its daily service is unsurpassed.

No Other Light Car Offers Such Worth

The exclusive Cleveland motor, the most highly developed of the powerful over-head type, gives an abundance of speed, a rare flexibility of power, and a dependability and endurance that surpasses other light cars.

The sturdiness of its chassis construction, the ease of its control, the soft cushion-like action of its underslung spring construction—all these

qualities add immeasurably to the certainty and comfort of the Cleveland's performance on any road, on the steepest hills, and in crowded traffic.

A Selection of Body Styles That Meet Every Wish

Bodies of dignity and beauty are mounted on the Cleveland chassis, and no other car offers cleaner lines, more truly sturdy gracefulness or deeper lustre of finish than does the Cleveland Six.

From the maple groves of Vermont and Canada comes the rich flavor of the new Karo Maple

Delicious maple flavor and moderate price sold over five million cans of Karo Maple last year. A money-saving hint to many mothers

Over a thousand tons of the purest and finest flavored maple sugar are used annually to make Karo Maple delicious enough to be the preference of those who enjoy maple syrup.

The world's largest users of maple sugar are the makers of Karo Maple. Karo Maple outsells, by far, every kind of maple syrup.

The price is remarkably moderate—economical enough to serve daily to all the family.

Serve it to the children on their bread, and to all the folks on waffles, griddle cakes, or crisp, buttered toast.

Our belief that you will like Karo Maple equally as well as millions of others is best expressed by the following suggestion:

Ask your grocer for Karo Maple in the GREEN CAN. It is guaranteed to please you or your grocer returns your money.

CAMPAIGNS DIFFER.

What's become of the old-fashioned
man that carried a dripping oil torch
and wore a blue and red oilcloth cape
in the Blaine and Logan campaign
torchlight processions? What's be-
come of the methods of political cam-
paigns of yesteryear? What's become
of the great horseback parades of
both parties, when all the young
bucks of Jackson and Clay townships
came in o' nights on the plow horses
and rode two abreast down Main
street by the blaze of the oil torch
and the blare of the brasses band?

They're gone. Old campaign meth-
ods are out of style, like bustles and
hoopskirts. The custom of placard-
ing the windows of the American
home with pictures of the head of the
family's favorite candidate still ex-
ists. But even that may cause trou-
ble, now that father may like the
looks of Harding, while mother favors
Cox. And if there are voting
children! Look out for complica-
tions.

Yes, and what's become of the old-
time pole-raising? Those were the
days.

Today's presidential campaign has
become a matter of cold calculating,
efficient organization, and machine-
like execution. They don't seem to be
able to stir up the excitement that
they did when the Cleveland and Hen-
dricks club came out with red flam-
beaux, white oilcloth capes and nifty
white plug hats, somehow!

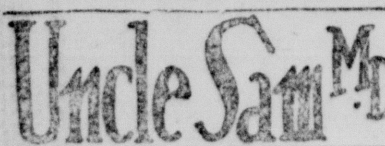

FATHER OF BASEBALL.

In the clamor nad the noise arising
from the world baseball series, stop a
moment and think of this—

In another October, 96 years ago,
there was born a child who lived to
find himself called "The Father of
Baseball." He was Henry Chadwick,
baseball writer of another generation,
but credited with doing so much to-
ward establishing baseball on its pres-
ent foundation that he earned the so-
briquet that stuck to him to his death.

In a little plot in Greenwood cem-
etery, in Brooklyn, N. Y., is a slab
that tries to tell his story to future
generations of fans. The marble is
surmounted by a huge baseball.
There's crossed bats on one side, and
a mask. Chadwick died on April 29,
1906, but the good Chadwick did was
not interred with his bones.

If he was the father of baseball, his
child lives—the game proves it.

THE SCHICK TEST.

A few years ago a very simple test
was discovered to tell whether a per-
son could or could not catch diphth-
eria. This is known as the Schick
test. It consists in injecting a few
drops of a prepared diphtheria toxin
into the skin and then watching
whether a characteristic red spot ap-
pears where the injection was made.
If such a spot does not appear with-
in two or three days it shows that the
person cannot catch diphtheria.

For those in whom the characteris-
tic redness appears, and who are
therefore known to be liable to catch
diphtheria, doctors now advise a
course of protective injections similar
to those which have proven so suc-
cessful against typhoid fever. This
protective treatment consists of three
small injections, a week apart. There
is no sore, as there is in smallpox vac-
cination, and the injections are harm-
less. The protection lasts for years.

SCRIBBLE SCRATCH GETS WOR- RIED.

Markie Muskrat was in an awful
plight when Mr. Scribble Scratch called
on him to recite his speech, because
when he went to move he discovered
that he couldn't at all, not a hair of
him, for he was stuck tight to his seat.

It was the chewing-gum, the chew-
ing-gum he had bought that morning
with the penny he had sneaked out of
his tin bank, the chewing-gum he was

fairman. "Do you mean to say that
you don't know any piece to recite
when we have company? What will
Mr. Owl and Judge Crow think of
you? Also Dr. Mink, Prof. Hare, and
Mr. U. U. Chuck?"

"Please, sir!" stammered Markie, "I
do know a piece about a big green
crab, but I—I can't get up to say it."

"What do you mean?" asked Scrib-
ble Scratch. "Are you afraid because
we have visitors?"

"Oh, no," gasped Markie, "but I—

"DON'T CRY," DR. MINK SAID KIN DLY WHEN MARKIE BEGAN TO
SNIVLE.

not allowed to chew in school, but
which he chewed anyway, the chew-
ing-gum that—oh, the chewing-gum
everything! He'd lost it out of his
mouth when he was marching, but he
had never dreamed he had lost it onto
his own seat. Oh, why hadn't he look-
ed before he sat down?

When he didn't get up Mr. Scribble
Scratch raised his eyebrows and look-
ed over his glasses so surprised that
Markie blushed to the tip of his nose,
tail too.

"For shame, Marcus!" said the

just—can't move."

"Goodness!" said Mr. Scribble
Scratch turning to Dr. Mink. "Do you
suppose he's paralyzed?"

Dr. Mink put on his specks and
picked up his bag and went over to
Markie's seat. "I'll just have a look
at him," he said, "and find out the
trouble. There—there, little fellow!
Don't cry," he said kindly when
Markie began to snivle. "I'll not hurt
you. Now please stick out your
tongue."

THE BOOK OF ANN.

I ADOPT THE CIGARET BECAUSE BOB DOESN'T WANT ME TO SMOKE.

Whenever Bob forbids me to do a
thing, it suddenly becomes the only
thing I care to do. I've never had the
slightest desire to smoke—not even in
college, when the girls used to buy
"fags" and think they were desperately
"sporty" when they smoked in the
dormitory with a guard at the top of
the stairs, and incense burning in a
brazier. Oh, what a sad compound
that oriental odor made with Ameri-
can tobacco! Only a matron who had
lost all her senses could have failed
to detect it.

I never joined in the smoking. It
seemed a silly affection. I usually
made the fudge for the crowd.

And so I knew perfectly well that
I didn't care in the least about taking
up the nicotine fad. But if my hus-
band commanded me not to smoke,
why, his order became an incentive!
And so, in spite of my recent de-
termination to be as humble as Blue-
beard's first wife, and to avoid all big
and little differences of opinion with
Bob, I found myself heading once
more for the hard rock of his pro-
nounced displeasure!

"Bob is most unfair!" said myself to
myself. "He smokes a good deal. I'd
like to know what sex has got to do
with smoking!"

As we walked over to call on Ann
and present Bob's little gift, I put my
query, thus:

"You wouldn't use enough tobacco
to harm a humming bird, my dear.
It's the looks of the thing. My love,

and perhaps even for life.

Why not have the doctor make a
Schick test on your child, and if this
shows the lack of protection against
diphtheria have him give the three
protective injections?"

SORE THROAT.

Q—Please tell me what makes my
head and nose stay raw and sore all
the time, and what to do for it? What
causes coated tongue and parched lips
and bad taste in mouth of mornings
and what to do for them?

A—This question illustrates a diffi-
culty which I have so frequently dis-
cussed in this column. The writer is
under the impression that merely by
describing a few symptoms it will be
possible to determine the nature of his
ailment. It is as if an automobile
driver should write to a service station
and say "Why makes my car refuse
to take even moderate hills on high?"
This patient should consult a good
physician, and submit to a thorough
examination.

I will not let my wife smoke. If you
use tobacco at home, you'll do so in
public. I will not have other men see
my wife behind a cigaret. That ends
it!

"Oh, la! la!" I laughed, but my mirth
concealed a very serious rebellion.
"Oh, la! la! Do all husbands feel that
way?"

"A lot of 'em do, I'm pretty sure.
I've heard the fellows talk, you see."
"I don't expect to smoke at home,
Bob," I protested. "Only for exhibi-
tion. That's why most women do, you
know."

"To show their rings, I suppose, and
their manicures!" said my husband,
who sometimes becomes unexpectedly
cynical.

"And to permit other women's hus-
bands to light their cigarets for them!"
I added, with a little shrug of a
shoulder, and a quick glance at Bob.

"No use discussing it. My girl don't
do it. See?" Bob is apt to grow care-
less of his rather bookish English
whenever he assumes a masterful way
with me. He always pretends that he
is half in joke, but I've learned that
his most stubborn mood follows close
behind that little assumption of hu-
mor.

Of course Ann "perfectly loved" the
little cigaret case. She had quite a
child-like spasm of joy over it. But
when she tried to fit her own cigarets
into it, her joy turned to mock grief.
They were too large. Bob had for-
gotten that Ann never uses the deli-
cate expensive trifles which are rolled
especially for a few puffs in the
boudoir and the hotel lounge. Ann
particularly affects the brands the
boys buy. That is the fad of the soph-
isticated, it seems.

"I'm going down town this morn-
ing and order cigarets to fit the gor-
geous case," she exclaimed. "Special
ones—with monogram! Come with me,
Janet!"

"I'd love to," replied. "I'm going to
order a smoking outfit for myself. You
know the shops for such things. I
don't."

In the presence of others my hus-
band would never think of arguing
with me, or of disapproving of any-
thing I might plan. Maybe I took an
unfair advantage of him, but the
agreement with Ann was made almost
before I knew it.

Bob merely set his jaw hard in a
way that foretold one of his silent
moods. Then he left us. As he stalked
homeward, meditating I suppose
on all the reasons why his little wife
shouldn't smoke, I saw him light a
wonderful big cigar, one of the most
expensive brands imported by his
father!

ASKS CITIZENS TO PRAY WHEN BELL SIGNALS

Grace Church Revival Continues with Satisfactory Success.

(Contributed)
Harry Morrow preached a helpful sermon at Grace church Monday evening on "Experimental Religion." He showed that it is our privilege to know that we are saved from sin. The sermon was based on Paul's experience on the way to Damascus and the complete transformation that was wrought in his life. Rev. Morrow also told his hearers how he was converted and filled with the Spirit. The sermon was preceded by an inspiring song service.

All Christians who are interested in seeing a genuine revival of religion in Dixon are requested to pause for silent, or audible prayer if circumstances permit, at 10 o'clock every morning. The ringing of the bell at Grace church at that hour will be a call to united prayer. Let there be a hearty response to this suggestion. America must have a revival or the wrath of God will fall upon us.

RENEWED TESTIMONY

No one in Dixon who suffers backache, headaches, or distressing urinary ills can afford to ignore the Dixon man's twice-told story. It is confirmed testimony that no Dixon resident can doubt.

L. S. Fultz, proprietor, grocery, 703 Depot Ave., Dixon, says: "I have used Doan's Kidney Pills and have found them an excellent medicine for kidney trouble. Occasionally I get pains through my back, due to disordered kidneys. When I have one of those attacks, Doan's Kidney Pills always relieve me. I highly recommend them."

Later Testimony.

Over two years later, Mr. Fultz said: "Doan's Kidney Pills have cured me of a severe case of kidney trouble and I, therefore, feel grateful. I am only too pleased to show my high regard for Doan's by again endorsing them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fultz had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

KOKOMO, IND.—"Some time ago I felt 'draggy' and worn-out and greatly in need of a tonic. A friend suggested to me to try Dr. Pierce's Favorite Prescription. I had taken other tonics but I never took anything that helped me so quickly as the 'Favorite Prescription.' It was not an unpleasant medicine to take and my whole system seemed to be benefited." — Mrs. GLOSTER COOP, 2108 N. Market Street.

High Grade Clothing at Less Than Former Prices

LAST Friday we told you how we had planned for months to give our customers, for this fall season particularly, the very best quality of clothing at prices we could conscientiously recommend. How we searched through the clothing markets for our season's stocks, and how we had succeeded in buying for you the right kind of clothing at a saving of a substantial percentage as compared to prices that existed a few weeks ago. This time we are going to tell you in detail how GOOD this clothing is, and how reasonable in price.

For the men—who have weightier things occupying them than the cut of a lapel, or the number of buttons on a coat, yet who DO insist upon being well-clothed, and who DO insist upon getting honest value for the money they invest in clothing—we have suits well cut, splendidly tailored, in dependable worsteds, chevots, cassimeres, tweeds, serges, at \$36.50, \$42.50, \$45.00, \$48.50 and \$55.00. We have suits with TWO PAIRS OF TROUSERS, at \$52.50 and \$55.00. We have snug, warm overcoats—ulsters, conservative Chesterfields, double and single-breasted models—at the same prices as quoted above for suits. Then there are lightweight "top coats" — for Fall—at \$35.00, \$37.50, \$42.50, \$45.00.

For the younger men, who have a right to ask for clothes with a little snap to them, we have the very newest double and single breasted models in the colors and fabrics most popular this season, at \$36.50, \$42.50, \$45.00, \$48.0 and \$52.50.

And for the boys: Hart Schaffner & Marx knickerbocker suits at \$18.50, \$20.00, \$22.50, \$25.00 and \$27.50. There are sturdy suits, too, at from \$9.50 up to \$22.50—with some TWO-PANTS SUITS at \$15.00. Fine overcoats for the youngsters run \$8.50, \$9.50, \$12.50.

Bear in mind this one thing above all else—these are all goods of high quality—from Hart Schaffner & Marx and others who make the sort of clothes you're proud to wear.

We could easily quote lower prices—on cheaper goods—but you don't want the kind of clothes that the lower price buys.

Our stock of high grade clothing gives you an opportunity to buy your fall suit and overcoat on the new, lower price basis. We are confident that these prices represent "rock bottom" for good value for this season.

Space doesn't permit more detail as to the clothing that we have here for you. It's best to come and see anyway. We'll give you more good clothing news in a few days.

EVERYONE SATISFIED BEST TEAM WON FLAG IN 1920 WORLD SERIES

And Cleveland Prepares to Show Indians City's Appreciation.

By Associated Press Leased Wire
Cleveland, O., Oct. 13.—With the fifth city of the United States in the matter of population definitely assured of being the first city of the baseball universe for at least twelve months, Cleveland today settled back to enjoy the world's championship baseball honors brought here by Jim Dunn's Indians when they won the annual classic of the professional diamond from the Brooklyn Dodgers by five games to two.

Cleveland, forty-two years a hanger-on in professional baseball but now the official home of the world series winners, turned its thoughts today to devising new ways of showing appreciation of the prowess of the athletes who finally made this city the world's baseball capital.

ABE MARTIN.

If we all ran from temptation there wouldn't be nothin' but girls on the streets. Late Bud is madder'n a wet hen. He floppedt Harlin' an' didn't get his picture in th' paper.

will be held tonight, and, according to plans, the wildness of Cleveland throughout the past four days over its club will be tame and dignified compared with the joy to be displayed. Mayor Fitzgerald has issued a proclamation calling on all good citizens within walking or riding distance of this metropolis to be present tonight at Wade Park and pay official homage and tribute to Tris Speaker and his tribe.

An official dinner for the players with the city officials as hosts and another affair which probably will take place in a day or two.

When the players go home, they probably will be honored further, for Sandusky, Ohio, already is arranging a big home-coming for Elmer Smith.

Coveleskie Famous.
Stanley Coveleskie pitched himself into the world series hall of fame by throwing back the Dodgers three successive times, and also equaled some of the greatest pitching feats in history. Only one man—Christy Mathewson—has surpassed the Pole's work in the biggest game in baseball. Mathewson pitched three shutout victories back in 1905. Coveleskie pitched three games, allowed two runs, fifteen hits, walked only two men, and what is most remarkable of all, threw the sphere plateward for an average of only 87 times each game.

Cleveland's superiority over the National League was evident in the series for the American League champions outfit, outplayed and outgassed their senior circuit rivals.

Beat All Aces.
Coming into the series with pitching staff considered the best in either

league and noted for its aces, Brooklyn went out with a battered group of hurlers, only two of whom—Grimes and Smith—were able to pitch winning ball. And Grimes and Smith both got beatings.

With the bat, Cleveland hung up a team average of .244 to .209 for Brooklyn. Fielding figures give Brooklyn an advantage of .976 to .925. However, few will contend Cleveland's superior defense at critical moments.

Miller Was Great.

Only in one branch of inside baseball did Brooklyn show real superiority, so far as the spectator could see. That was in the almost uncanny ability of Catcher Miller to catch the Indians hit and run and base stealing signals.

The pitching superiority of Cleveland's trio of fingers is indicated in the scores of the games. Backing up Coveleskie's almost unparalleled work, Walter Mails came through with 15 1-3 shut out innings, including a three hit game, and Jim Bagby pitched two good contests, winning one and losing one. George Uhle, second string hurler, pitched good ball on his short appearance, only Caldwell who was knocked out of the box in one inning, falling down. Smith twirled two fine games for the Dodgers, but had the bad misfortune to be pitted against Mails in one and lost it. Grimes turned in a shutout victory and then twice was knocked out of the box. The other pitchers were hammered without favor.

Some Great Baseball.

The world series, despite the one sidedness of the result, brought out some of the greatest baseball in history. Numerous records of minor importance were broken, but standing above all were Wambsgans' untied triple play and Elmer Smith's home run with the bases full.

The Brooklyn club today was on its way back home where it will disband until next season. The eastern players were generous in praise for their conquerors, frankly admitting that the best team won.

President John Heydler, of the National League and President B. B. Johnson of the American League today both expressed satisfaction over the series.

In letters sent today to President Dunning and Manager Speaker Mr. Heydler declared his belief that the best team won. He referred at length to the honesty of the series and the sportsmanship in the Brooklyn club.

RESTAURANT MAN IS OUT WITH ALL FACTS

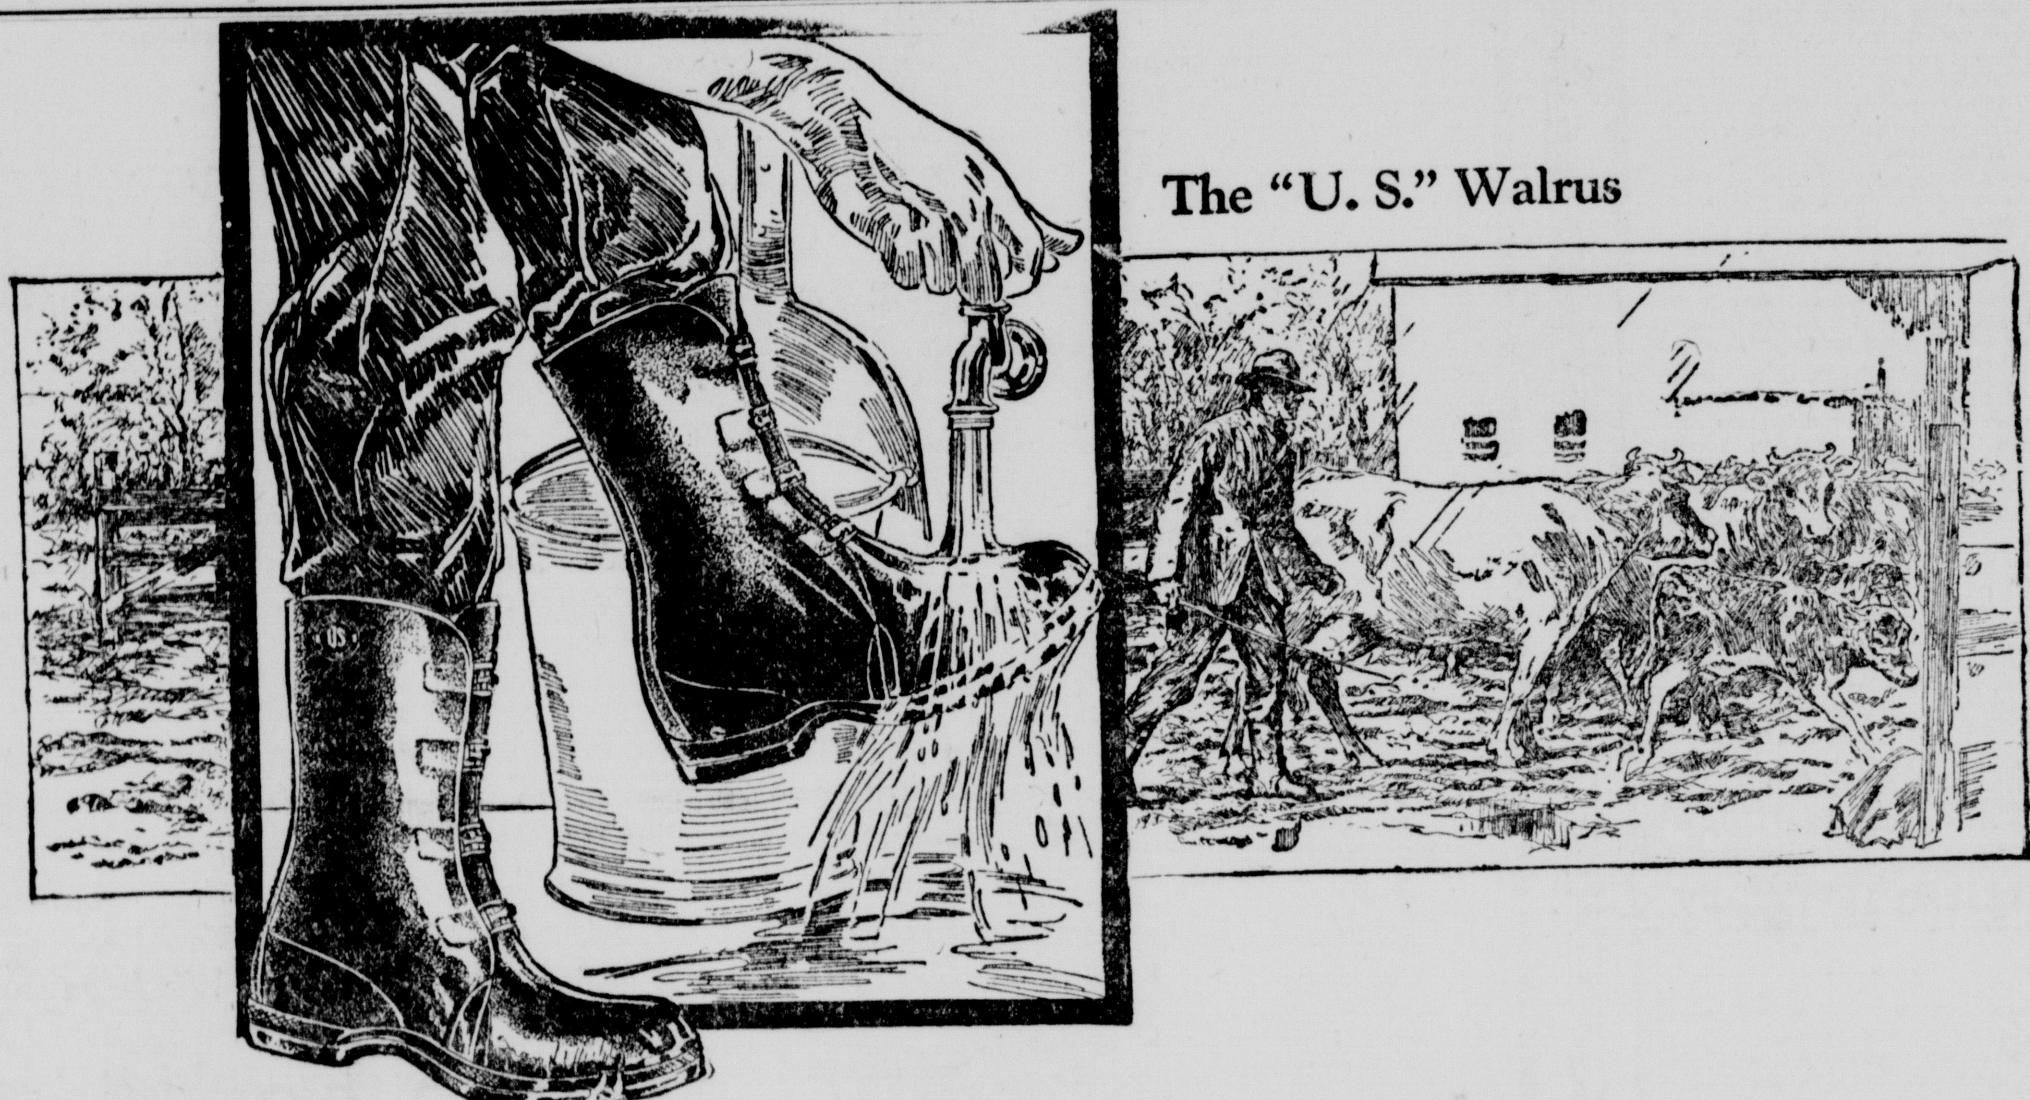

Says He Works Twelve and
Fourteen Hours a Day
But Feels Fine Since Tak-
ing Tanlac — Friends
Comment on Change.

"Tanlac has certainly put me back on the eating list," said W. H. Tillman, of 430 6th street, Terra Haute, Ind., who for five years has been the manager of the Nagles Dairy Lunch. "For one whole year following a nervous breakdown," explained Mr. Tillman, "I was unable to enjoy a single mouthful to eat. I lost my appetite completely and the little I did eat was forced down. I suffered a great deal with pains in my chest, which were so severe at times as to almost cut off my breath. I became so weak that I

could scarcely attend to my business and was only strong enough to spend about two hours a day in the cafe, then I just had to go home and to bed. I tried all kinds of medicine, but just kept on getting weaker and going down hill until I thought I would have to give up by business entirely.

"One day while talking to a customer I asked him what made him have such a good appetite? He said Tanlac, and recommended it so highly that I decided to try it myself. I bought a bottle that very day and my appetite is so big now that I can hardly eat enough to satisfy it. Why I eat all hours of the day and just feel fine all the time. I work twelve and fourteen hours a day now and lots of the patrons of the cafe comment on how well I look and I don't hesitate to tell them what did it."

Tanlac is sold in Dixon by the Public Drug & Book Co., and by the leading druggist in every town.

LIFE WAS A MISERY TO HER
 Says this Woman Until Relieved by Lydia E. Pinkham's Vegetable Compound

Carrollton, Ky.—"I suffered almost two years with female weakness. I could not walk any distance, ride or take any exercise at all without resting. If I swept the floor or did any kind of work it would bring me sickness on. I was weak, languid, had no energy and life was a misery to me. I was under the care of a good physician for several months and tried other remedies. I had read of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking twelve bottles I found myself much improved and I took six more. I have never had any more trouble in that respect since. I have done all kinds of work and at present am an attendant at a State Hospital and am feeling fine. I have recommended your Vegetable Compound to dozens of my friends and shall always recommend it."

Gets 28 Eggs A Day Now, From 34 Hens
 C. C. White, Well-Known Breeder, Tells How. Costs Nothing to Try.

"I gave Don Sung to 34 utility Buff Orpingtons and the egg yield increased from 7 to 28 a day. Don Sung is a wonder and I am now giving it to all my hens regularly." Chas. C. White, Mr. Cherry Hill Farm, Elkhart, Ind.

Mr. White is the well known breeder and exhibitor. He wrote the above letter in December, after his test and shown a gain of 21 eggs a day from 34 hens. We will make you the same offer we made him. Here it is:

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded.

Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It turns up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.

You can obtain Don Sung from your druggist or poultry remedy dealer, or send \$1.04 (includes war tax) for a package by mail. Burdett-Dugger Co., 214 Columbia Bldg., Indianapolis, Ind.

CHEAP COTTON BRINGS DEATH, RUIN IN SOUTH
Night Riders Spread Terror to Prevent Marketing.

Atlanta, Ga., Oct. 12.—The shooting to death yesterday of a negro guard at a cotton gin in Arkansas, numerous fires of undetermined origin in which cotton has been destroyed and widespread threats of night riders to burn gins, whose owners ignore warnings to discontinue operations until the staple reaches a price of forty cents a pound, have resulted in the issuance of proclamations by Governors Brough, of Arkansas, and Kilby, of Alabama.

Ask Legion's Aid.
Governor Brough upon being advised last night of the shooting of Nora Canada, in Lonoke county, issued a proclamation citing the killing and lawlessness in some of our counties growing out of the prevailing low price of cotton. The governor called upon the state adjutant general and sheriffs of counties "where there are likely to be disturbances" to use all power at their command to "suppress these night riding outrages." Posts of the American Legion also were urged to co-operate with the authorities.

In a proclamation citing the burning of gins and gin houses in Alabama Governor Kilby has offered a reward of \$250 for the arrest and conviction of any person guilty of the destruction of property. "This character of lawlessness deliberately violates one of the fundamental purposes for which government is established and threatens to substitute for orderly government a reign of terror and violence," the governor declared.

MADE PASSENGERS BATHE.
Constantinople, Sept. 20.—(Correspondence of the Associated Press.)—The crew of the Italian steamer, Pocky, went on strike upon the arrival of the ship here the other day because the health officers insisted that they should take a bath before landing, as steerage passengers must do. The crew refused to bathe unless first-class passengers also were compelled to go swimming. The strike ended when first-class passengers agreed to this.

TOWN FIRE SWIFT.

NEWS FROM DIXON

BOYS' MEMBERSHIP CAMPAIGN GETS BIG START.
The owners and captains of the American National League met last night for final instructions for the big membership drive which started promptly at 7:59.

If enthusiasm was ever shown by a group of boys it was certainly in evidence last night. A feature of the meeting that caused folks all around the square to sit up and wonder, was Calkins and his lusty band of noise makers.

Every member is on one of these teams. Have you any new members to hand in? Report them at 7 o'clock. Remember the great trip in store for the winning team and boost.

Mrs. John Winters went to Chicago at noon today to spend a week visiting with her sons.

BAD ST. LOUIS FIRE.
St. Louis, Oct. 12.—Fire believed to have been caused by crossed lighting wires in the milling department swept the plant of the St. Louis Car Co. in the northern end of the city, early today causing a loss estimated at approximately \$60,000.

A high wind and inadequate water supply combined to combat the efforts of firemen, who succeeded in getting the blaze under control only after it had covered an area of approximately five blocks.

IS FREE—IN KANSAS.
Topeka, Kan., Oct. 12.—Robert Hill, a negro, wanted in Arkansas on a charge of inciting to riot at Elaine, Arkansas, a year ago, but who has been in Kansas since last spring, is a free man as long as he remains in

Kansas. This decision was rendered yesterday by Judge John C. Pollock, in the United States district court at Leavenworth, Hill's counsel announced today.
